Observing the Industrial Landscape: The Art of L.S. Lowry

Learning objective: I can identify and describe the artistic techniques used by L.S. Lowry to represent industrial life in Britain.

About 15 minutes. Grown-up tip: Ask your child to find examples of 'perspective' in the room, such as how the floor tiles look smaller as they get further away.

Key Vocabulary

Use this vocabulary mat to understand how Lowry captured the heart of northern industrial towns. Study the terms below, then answer the questions to test your knowledge. Example: 'Matchstick figures' refers to the simplified, thin shapes Lowry used to represent people, giving them a uniform appearance in busy scenes.
