

Conjunctions Assessment

Learning objective: To test understanding and application of conjunctions in English sentences.

Answer the questions below. Show your work for the extended writing task. Use a pencil and ruler for neat writing. Total: /25

Max the monkey and his friends were planning a picnic in the park. Max wanted to bring sandwiches and apples, but Nova suggested adding some strawberries. Max thought it was a great idea, so they all agreed. They were excited, so they quickly set off to the park. They played games and had fun, but they realized it was getting late, so they decided to leave.

Word bank: and · but · or · so · because · for · yet · however · nor · either · neither

1. Write a sentence using the conjunction 'and'. (2 marks)
