Kit’s Cyber-Safety Challenge

Learning objective: I can explain how to stay safe and secure when using computers and the internet.

About 15 minutes. Grown-up tip: Please read these questions together with your child to discuss why these safety rules are important for their digital life.

Read each question carefully. Choose the best answer or write your answer in the space provided. Example: If asked 'What is a strong password?', a good answer would be 'A mix of letters, numbers, and symbols that is hard to guess.'

Answer Key: 1.C, 2.True, 3.B, 4.False, 5.Password, 6.B, 7.A, 8.False, 9.Tell a trusted adult, 10.B. For question 9, any answer involving telling a parent, teacher, or guardian is correct.
