Kit’s Guide to Being a Cyber-Hero

Learning objective: I can write a set of instructions to help others stay safe and secure online.

About 15 minutes. Grown-up tip: Please read through these tips with your child to discuss why keeping personal information private is so important.

Follow the four steps below to write your guide. Use the word bank to help your sentences flow. Example: 'First, you must create a strong password that nobody can guess.'

Using the internet is a brilliant way to learn, but we must be cyber-heroes to keep our information safe.

Word bank: First of all · Next · After that · Finally · because · so that · however · remember to

1. Introduction: Why is it important to stay safe online? Start with: 'Staying safe online is important because...' (2 marks)

2. Step 1: Passwords. How should you pick a secret password? Start with: 'To create a strong password, you should...' (2 marks)

3. Step 2: Private Information. What details should you never share? Start with: 'You must never share your personal information, such as...' (2 marks)

4. Step 3: Asking for Help. What should you do if something online makes you feel worried? Start with: 'If you ever feel worried or confused, you should...' (2 marks)

5. Conclusion: What is your main rule for being a cyber-hero? Start with: 'My golden rule for online safety is...' (2 marks)

Draw: Draw a picture of Kit the fox wearing a superhero cape and sitting at a computer.

Extension challenge: Create a 'Cyber-Hero' poster with a catchy slogan to display in your classroom.
