

Max’s Diary Writing Masterclass

Learning objective: To identify and use key vocabulary for writing a personal diary entry in the first person.

Key Vocabulary

Max the monkey wants to help you write about your day! Use these words to make your diary entries exciting and clear. The words are grouped into categories: Time Connectives (when things happened), Descriptive Language (how things felt), and First-Person Perspective (who is writing).

Explain why it is ...	Why do we use fi...	If you had an 'exh...
Which word from ...	Write a sentence ...
