Kit’s Clever Internet Safety Guide

Learning objective: I can explain how to stay safe and be kind when using the internet.

About 15 minutes. Grown-up tip: Please read these questions with your child to discuss their online habits and ensure they know who to talk to if they feel uncomfortable.

Help Kit the fox create a guide for your classmates. Think about how we keep our personal details secret and how to be a good friend online. Example: For 'Private Information', you could write: 'I never share my home address or my full name with people I do not know.'

Word bank: password · private · kind · trusted adult · report · screen

1. Private Information: List three things about yourself that you should keep secret online. (3 marks)

2. The Password Rule: Why is it important to keep your password secret and not share it with friends? (2 marks)

3. Being Kind: If someone is being mean to you in an online game or chat, what should you do? (2 marks)

4. Trusted Adults: Who are the people in your life that you can talk to if something online makes you feel worried? (2 marks)

5. Safety Pledge: Write one sentence about how you will behave to make the internet a happy place for everyone. (2 marks)

Extension challenge: Design a 'Safe Online' badge for your uniform. What symbols or colours will you use to show that kindness is important?

I did it! Name: _____ Date: _____
