Rosa's Remarkable Body Parts French Flashcards

Learning objective: I can name parts of the body in French and know if they are masculine or feminine.

About 15 minutes. Grown-up tip: Play a game of 'Simon says' using the French words, for example, 'touche la tête' (touch your head).

Use these flashcards to practise your French. Look at the English word on the front, try to remember the French, then flip it to check. Remember: 'le' is used for masculine words (like le bras) and 'la' is used for feminine words (like la tête). Example: Front: Head | Answer: la tête (la tet).
