Mon Corps Fantastique: My Fantastic Body

Learning objective: I can identify and label parts of the human body in French.

About 15 minutes. Grown-up tip: Encourage your child to say the French words aloud as they label their drawing to help with pronunciation.

Follow the drawing prompt to create your character. Use the word bank to label the body parts clearly. Example: To label the head, draw a line to it and write 'la tête (la TET) - head'.

Draw: Draw a friendly, original character standing in the middle of a park in Manchester. Use a clear, comic-style outline. Ensure the character has visible arms, legs, hands, feet, and a head so you have plenty of room to draw lines for your labels.

Label words: la tête (la TET) - head · le bras (luh BRAH) - arm · la main (la MAN) - hand · la jambe (la ZHAMB) - leg · le pied (luh PYAY) - foot · le ventre (luh VAHN-truh) - stomach · le dos (luh DOH) - back · l'œil (loy) - eye

Steps:

1. Label your character's head and eyes using the correct French terms from the word bank.
2. Draw an arrow pointing to the hand and the arm, then write the French labels.
3. Translate this sentence into English: 'J'ai une jambe et un pied.'
4. Which part of the body is 'le ventre'? Describe where it is located on your drawing.

5. Write a sentence in French to describe one part you have drawn, for example: 'C'est la main.' (This is the hand.)

I did it! Name: _____ Date: _____
