Ma Garde-Robe: Designing My French Wardrobe

Learning objective: I can identify and label items of clothing in French and use descriptive adjectives to talk about my style.

About 15 minutes. Grown-up tip: Encourage your child to say the French words aloud while they draw to help with pronunciation.

Follow the drawing prompt to create your fashion scene. Once drawn, use the Word Bank to label your items. Remember: in French, adjectives usually go after the noun (e.g., 'un pull bleu'). Example: If you draw a red hat, label it 'un chapeau rouge' (uhn sha-POH roozh).

Draw: Draw a large shop window. Inside the window, draw a mannequin wearing a complete outfit including a jumper, trousers, and shoes. Add accessories like a hat or scarf. Ensure the style is clear so you can label the colours correctly using your French vocabulary.

Label words: un pull (uhn pool) - a jumper · un pantalon (uhn pan-ta-LON) - trousers · une chemise (oon she-MEEZ) - a shirt · des chaussures (day shoh-SOOR) - shoes · une robe (oon rohb) - a dress · bleu (bluh) - blue · rouge (roozh) - red · vert (vair) - green

Steps:

1. Draw a person wearing 'un pantalon bleu' and 'une chemise verte'. Label these two items clearly.
2. Translate the phrase 'the red dress' into French. Remember to place the colour after the noun.

3. Write a French sentence explaining what you like to wear. Use the structure: 'J'aime porter...' (I like to wear...)

4. If 'une chaussure' is a shoe, what would 'des chaussures' mean? Explain the difference.

5. Look at your drawing. Write one negative sentence using 'Je n'aime pas porter...' (I do not like to wear...) about an item you did not draw.
