What a secure answer looks like

A secure answer shows the pupil can correctly map the French phrase to its English equivalent provided in the word bank.

If your child is stuck

Try saying the French words out loud with your child to help them remember the sounds. You can also look back at the word bank together to match the spellings.

Common mistakes to watch for

Pupils may confuse 'Salut' (informal hi/bye) with 'Bonjour' (formal hello) or struggle with the spelling of 'Au revoir'.
