Rosa's Sunny Greetings Scramble

Learning objective: I can greet people and say goodbye in French.

About 15 minutes. Grown-up tip: Practise saying these words aloud together at the breakfast table to build confidence.

Rosa the parrot is visiting a primary school in London! She wants to say hello to everyone in the playground. Look at the word bank and match the French greeting to the correct English meaning by writing it in the box.

Worked Example: If you see 'Hello', write 'Bonjour' in the box.

Word bank: Bonjour (bon-ZHOOR) - Hello/Good morning · Salut (sa-LOO) - Hi/Bye (informal) · Au revoir (oh ruh-VWAH) - Goodbye · Comment ça va? (ko-mon sah VAH) - How are you? · Ça va bien (sah vah BYAN) - I am well

1. 1. Write the French for: Hello (formal) (1 mark)

2. 2. Write the French for: Goodbye (1 mark)

3. 3. Write the French for: Hi (use this with your best friend!) (1 mark)

4. 4. Translate this question: 'Comment ça va?' (1 mark)
