

Story Sorting

Learning objective: To understand the different elements of a story and to identify their places within a story structure

Read the word bank and passage carefully. Then, sort the story elements into their correct places within the story structure. Use the word bank to help you.

In a story, there are several important elements that come together to make it exciting and engaging. The story begins with the

Word bank: Setting · Plot · Characters · Climax · Resolution · Exposition · Conflict

1. Where does the story begin? (1 mark)

2. What is the exciting part of the story? (1 mark)

3. What happens at the end of the story? (1 mark)

4. What is the problem that the characters face? (1 mark)

5. Where do the events of the story take place? (1 mark)

Draw: Draw a diagram of a story structure, including the elements we have studied. Be sure to include a title and a short description of each section.

Extension challenge: Choose a favourite story and create your own story structure diagram. Use the word bank to help you identify the different elements within the story.
