Rosa's Opinion Sorting Game

Learning objective: I can express and justify my opinions in French using key phrases.

About 15 minutes. Grown-up tip: Encourage your child to say the French sentences out loud to practise their pronunciation.

Rosa the parrot has gathered some opinions from her friends in the playground. Your task is to sort these into the correct 'Positive' or 'Negative' columns.

Worked Example: If you see 'J'adore le foot' (I love football), place it in the Positive column and write your reason.

Reasoning: Because it is a positive opinion, we add 'parce que c'est...' (because it is...) followed by an adjective like 'amusant' (fun).

Word bank: J'adore (ZHA-dor) - I love · J'aime (ZHEM) - I like · Je n'aime pas (ZHEN-em-pah) - I do not like · Je déteste (ZHED-et-est) - I hate · parce que (pars-kuh) - because · c'est (say) - it is

4. Translate this sentence into French: 'I do not like reading because it is boring.' (Use 'ennuyeux' for boring). (2 marks)

5. Create your own opinion sentence about a school subject. Use one opinion phrase and one reason (e.g., 'facile' for easy or 'difficile' for difficult). (3 marks)
