Rosa's Opinion Art Gallery

Learning objective: I can express and justify my opinions in French using key phrases and adjectives.

About 15 minutes. Grown-up tip: Encourage your child to say the French sentences out loud after they write them to practise their pronunciation.

Rosa the parrot is curating an art gallery! To help her, you must draw your favourite things in the frames below. Next to each drawing, write a French sentence expressing your opinion using the word bank.

Worked Example: If you draw a dog, you could write: 'J'aime le chien parce que c'est mignon.' (I like the dog because it is cute.)

Remember: 'parce que' means 'because' and 'c'est' means 'it is'.

Draw: Create two large empty picture frames on the page. Inside the first frame, draw a scene related to a school subject. Inside the second frame, draw a food item. The style should be clean and clear, leaving enough white space around the frames for students to write their French sentences underneath.

Label words: J'aime (zh-em) - I like · Je n'aime pas (zhuh nem pah) - I do not like · parce que (par-suh kuh) - because · c'est (say) - it is · génial (zhay-nee-al) - great · ennuyeux (an-wee-uh) - boring · intéressant (an-tay-res-an) - interesting

Steps:

1. 1. Draw a school subject you love in the first frame. Write a full French sentence underneath to explain your opinion.
2. 2. Draw a piece of fruit or a vegetable you dislike in the second frame. Write a French sentence to explain why it is boring or bad.
3. 3. Which French adjective from the word bank would you use to describe a football match? Write it here: _____
4. 4. Translate this sentence into English: 'J'aime le chocolat parce que c'est génial.'
5. 5. Think of a hobby you enjoy. Write a sentence using 'Je préfère' (I prefer) to explain why you like it more than another hobby.
