What moves an answer up: The best answer adds justification using 'car' and adjectives, showing a deeper understanding of the sentence structure.

What a secure answer looks like

A secure answer demonstrates the ability to use 'car' to link an opinion to a reason and correctly identifies the negative 'ne...pas' structure.

If your child is stuck

Remind the child to look at the word bank for spelling and to check the 'Worked Example' to see how the sentence structure is built.

Common mistakes to watch for

Children often forget the 'n'' in 'n'aime pas' or confuse 'car' (because) with 'c'est' (it is).
