Ma Journée à l’École: My School Day

Learning objective: I can read and write simple sentences about my school subjects and opinions in French.

About 15 minutes. Grown-up tip: Encourage your child to say the French words aloud to practise their pronunciation.

Read the passage about Rosa the parrot’s school day. Use the word bank to help you translate and answer the questions. For opinions, follow this pattern: 'J'aime...' (I like...) or 'Je n'aime pas...' (I don't like...). Example: J'aime les maths (I like maths).

Bonjour! Je m'appelle Rosa. Aujourd'hui, c'est lundi. À l'école, j'aime beaucoup les maths parce que c'est amusant. J'aime aussi l'art, mais je n'aime pas le sport parce que c'est fatigant. À la récréation, je mange une pomme avec mes amis dans la cour. C'est fantastique!

Word bank: l'école (l-eh-KOL) - school · la récréation (la-ray-kray-ah-SYON) - break time · j'aime (zh-em) - I like · je n'aime pas (zh-n-em-pah) - I don't like · parce que (pars-kuh) - because · c'est (seh) - it is

Extension challenge: Try to write a second sentence about what you do at break time (la récréation) using a dictionary to find one new French verb.
