Ma Journée à l'École: My School Day

Learning objective: I can describe my school subjects and give opinions using simple French sentences.

About 15 minutes. Grown-up tip: Encourage your child to say the French words out loud to practise the pronunciation guide provided in the word bank.

Match the subjects to their French names and use the verb 'aimer' (to like) to express opinions. Remember: use 'j'adore' (I love) for things you really enjoy and 'je n'aime pas' (I do not like) for things you dislike.

Example: J'aime l'histoire (I like history).

Word bank: les maths (lay mat) - maths · l'anglais (long-glay) - English · le dessin (luh dess-an) - art · la géographie (la jay-oh-grah-fee) - geography · l'EPS (ell-pay-ess) - PE · J'adore (zhah-door) - I love · Je déteste (zhuh day-tess-t) - I hate

1. Translate the following sentence into English: 'J'adore les maths et je déteste l'anglais.' (2 marks)

2. Write a French sentence to say you like geography. Use the word bank to help you. (1 mark)

3. Fill in the blank: 'Je n'aime pas _____.' (Choose a subject from the word bank that you find difficult). (1 mark)

4. Rosa the parrot says: 'Le dessin est créatif.' Based on this, what does she think about art? Give a reason for your answer. (2 marks)

5. Change this sentence into the negative form: 'J'adore l'EPS.' (Hint: use 'Je ne... pas' around the verb). (2 marks)

Draw: A friendly parrot named Rosa wearing a school scarf, sitting in a classroom with a chalkboard showing French words for school subjects.

Extension challenge: Write a short paragraph (3-4 sentences) about your favourite school day. Include which subjects you have, what you love, and what you dislike. Use the vocabulary provided.
