Rosa's French Corner Shop Adventure

Learning objective: I can identify and label common food items in French.

About 15 minutes. Grown-up tip: Encourage your child to say the French words out loud as they draw each item.

Rosa the parrot is visiting a local French market! Use the word bank to label the items in her basket. Draw each item clearly in the space provided. Example: If you draw a red fruit, write 'une pomme' (oon-pom) next to it.

Draw: Draw a large woven basket in the centre of the page. Inside the basket, draw a loaf of bread, an apple, a wedge of cheese, a biscuit, and a bottle of milk. Use a simple, clean illustrative style like a children's storybook.

Label words: le pain (luh-pan) - the bread · une pomme (oon-pom) - an apple · le fromage (luh-fro-mazh) - the cheese · un biscuit (un-bees-kwee) - a biscuit · le lait (luh-lay) - the milk

Steps:

1. Draw a long loaf of bread in the basket. Label it with the correct French word.
2. Draw a round red apple. Label it 'une pomme'.
3. If a biscuit costs 20p, how much would 3 biscuits cost in total?

4. Write a French phrase to tell the shopkeeper you like the cheese. Hint: Use 'J'aime...' (zh-em) meaning 'I like'.

5. Look at the word 'le lait'. Why do we use 'le' instead of 'une'? (Think about the gender of the noun).
