Rosa's Corner Shop Adventure

Learning objective: I can use French words to talk about items I want to buy at a shop.

About 15 minutes. Grown-up tip: Practise saying the words out loud together before writing them down.

Rosa the parrot is helping at a shop in London. Help her write down the shopping list using French.

Worked example: If you want to buy a red apple, write: J'ai une pomme rouge (zhay oon pom roozh).

Word bank: un croissant (un krwah-son) - a croissant · une pomme (oon pom) - an apple · un chocolat (un sho-ko-lah) - a chocolate bar · un jus (un zhoo) - a juice · le prix (luh pree) - the price · s'il vous plaît (seel voo pleh) - please

1. Identify the item: Draw a line to match the French word to the English item: 'un croissant', 'une pomme', 'un chocolat'. (3 marks)

2. Complete the phrase: Rosa wants a juice. Write: 'Je voudrais...' followed by the French word for juice. (2 marks)

3. Polite shopping: Write a full sentence asking for a chocolate bar using 's'il vous plaît' at the end. (3 marks)

4. Maths challenge: If one apple costs 50p, how much do two apples cost in pounds (£)? (2 marks)

5. Creative writing: Imagine you are the shopkeeper. Write one French sentence to greet a customer when they walk into the shop. (2 marks)

Extension challenge: Can you find out the French word for 'the shop' and write a sentence about visiting it?

I did it! Name: _____ Date: _____
