Une Journée au Marché: Shopping in France

Learning objective: I can identify and label French vocabulary related to shopping for food and clothes.

About 15 minutes. Grown-up tip: Encourage your child to say the French words out loud as they draw them to practise their pronunciation.

Today, Rosa the parrot is visiting a bustling French market. Follow the drawing prompts to create your own market scene. Label your items using the word bank provided. Example: If you draw a red apple, draw a line to it and write 'une pomme'.

Draw: Create a detailed scene of a French market. Include at least two stalls: one for food (featuring apples and bread) and one for clothing (featuring a t-shirt). Add details like cobblestones, a colourful awning, and a character carrying a basket.

Label words: le magasin (luh ma-ga-SAN) - the shop · le pain (luh PAN) - the bread · la pomme (la POM) - the apple · le t-shirt (luh tee-shurt) - the t-shirt · combien ça coûte? (kom-BYEN sa KOOT) - how much does it cost? · c'est cher (say share) - it is expensive

Steps:

1. Draw a baguette inside a paper bag. Label it using the correct French word from the word bank.
2. Draw a sign next to a stall that says '£5' in French. Write the price as a number and symbol.
3. Draw a character (like Rosa or a friend) holding a shopping basket. Label the basket 'le panier' (luh

pan-YAY).

4. If a shirt costs £12.50, write the French phrase 'C'est...' followed by the price in numbers.

5. Translate this sentence into English: 'Je voudrais une pomme, s'il vous plaît.'
