Shop 'til You Drop: French Shopping Flashcards

Learning objective: I can identify key vocabulary and phrases used when shopping in a French market or boutique.

About 15 minutes. Grown-up tip: Practise these cards by playing a 'pretend shop' game at home using items from the cupboard.

Use these flashcards to practise your French shopping vocabulary. Read the front, try to say the answer in French, then flip it to check your pronunciation and meaning. Example: Front: 'How much is it?' | Answer: 'Combien ça coûte ? (kom-BYEN sa KOOT)'.
