Rosa's Shopping Trip: A French Adventure

Learning objective: I can use French vocabulary to discuss shopping, prices, and personal opinions about items.

About 15 minutes. Grown-up tip: Encourage your child to read the French words aloud to practise their pronunciation.

Read the questions carefully. Use the word bank to help you. Remember to use 'c'est' (it is) or 'ils sont' (they are) when giving opinions.

Example: If you want to say 'The bread is expensive', write 'Le pain est cher'. If you want to say 'I like the apples', write 'J'aime les pommes'.

Word bank: le magasin (luh ma-ga-ZAN) - the shop · cher (shair) - expensive · bon marché (bon mar-SHAY) - cheap · j'aime (zhame) - I like · je n'aime pas (zhuh nem pah) - I do not like · combien ? (kom-BYEN) - how much?

1. Rosa is at a shop. Write the French phrase for 'The shop is cheap' using the word bank. (1 mark)

2. Translate this sentence into English: 'J'aime le chocolat, mais il est cher.' (2 marks)

3. If a baguette costs £1.20 and a croissant costs £0.80, which item is 'bon marché'? Explain your answer in one French sentence. (2 marks)

4. Write a sentence in French explaining why you do not like a specific item (e.g., 'Je n'aime pas le lait...'). Give a reason for your opinion. (2 marks)

5. Rosa sees a bag of apples costing £2.50. Write a question in French asking for the price of the apples. (1 mark)

Draw: A colourful illustration of Rosa the parrot wearing a small scarf, standing in a French bakery filled with loaves of bread and fruit.

Extension challenge: Write a short dialogue (4 lines) between Rosa and a shopkeeper. Include a greeting, a question about price, and an opinion about an item.
