Rosa's French Time Traveller Flashcards

Learning objective: I can tell the time in French by using simple phrases for o'clock and half past.

About 15 minutes. Grown-up tip: Ask your child to show you the time on a clock while saying the phrase aloud.

Cut out these cards to practise your French time-telling. Look at the front to see the time or phrase, then flip to the back to check your answer! Example: 'Quelle heure est-il?' means 'What time is it?'
