# Rosa's French Transport Adventure

*Learning objective: I can name different modes of transport in French and use them in simple sentences.*

*About 15 minutes. Grown-up tip: Encourage your child to say the French words out loud as they label their drawing.*

Rosa the parrot is ready to travel across the UK! Today, we are learning transport words. Use the word bank to label your drawing. To say 'I travel by...', we use 'Je voyage en...' (zhuh voy-ahzh ahn). For example: 'Je voyage en train' (I travel by train).

**Draw: Draw a large, colourful scene showing a British village. Include a train on tracks, a bus driving on a road, a child riding a bike on the village green, and a small boat on a nearby river. Label each item using the French words from the word bank.**

*Label words: le train (luh tran) - the train · le bus (luh booss) - the bus · le vélo (luh vay-lo) - the bike · la voiture (la vwah-toor) - the car · le bateau (luh ba-toh) - the boat*

**Steps:**

1. Look at the word bank. Which transport word is feminine (starts with 'la')?
2. Write the French phrase for 'I travel by bike' using the example in the instructions.
3. If you were travelling to school, which transport would you choose? Write it in French.

**I did it!  Name: _____  Date: _____**
