

Rosa's Hobbies Art Challenge

Learning objective: To identify and use French vocabulary related to hobbies and pastimes.

Rosa the parrot wants to share her favourite hobbies with you! Use the word bank to label your drawing, then complete the sentences in French to describe what you enjoy doing.

Draw: Draw a large scene featuring Rosa the parrot in a park. Around her, draw four different hobby scenes. For example, draw a football on the grass, a book resting on a bench, a musical note floating in the air, and a paintbrush. Use bright colours and clear lines so you have space to add your French labels next to each item.

Label words: jouer au football · lire un livre · jouer aux jeux vidéo · faire de la danse · dessiner · écouter de la musique

Steps:

1. Label your drawing with at least four activities from the word bank in French.
2. Translate the phrase 'J'aime dessiner' into English.
3. How would you say 'I like playing football' in French?
4. Look at your drawing. Which activity is your favourite? Write a sentence in French starting with 'J'aime...'
5. If you wanted to say you do NOT like an activity, you say 'Je n'aime pas...'. Write a sentence about an activity you do not like.
