Climate Champions

Become a Climate Champion by learning about the Earth's climate and how we can help protect it!

- **What is the term for the layer of gases that surrounds the Earth?**
- **What is the main reason for the changing seasons?**
- **What is the difference between weather and climate?**
- **Why is it important to protect the Earth's climate?**
- **What can we do to reduce our impact on the climate?**

Did you know? Did you know that the Earth's climate is like a big blanket that wraps around our planet? It's made up of tiny particles in the air that trap heat and keep us warm!

Key vocabulary: temperature · rainfall · season · atmosphere · climate · weather
