

Continents And Oceans: A World Map Adventure

Learning objective: Students will be able to identify the 7 continents and 5 oceans on a world map, and explain their relative sizes.

Finn the friendly dolphin is planning a long journey around the world. Help him complete his map by matching the correct continents and oceans with their pictures.

Word bank: Africa · Asia · Europe · North America · South America · Australia · Antarctica · Pacific Ocean · Atlantic Ocean · Indian Ocean · Arctic Ocean

1. Match the continent to its correct picture. Asia is _____ (1 mark)

2. The smallest ocean is the _____ Ocean. (1 mark)

3. Draw a line to show the order of the continents as you move clockwise around the world: _____ (2 marks)

4. Write the names of the 7 continents in alphabetical order: _____ (2 marks)

5. Finn wants to visit a country in South America. Which ocean will he need to cross to get there? (1 mark)

6. Explain why the Pacific Ocean is the biggest of the 5 oceans. (2 marks)

7. Complete the sentence: The continent of Australia is often referred to as _____. (1 mark)

Draw: Draw a simple world map with the 7 continents and 5 oceans labelled. _____

Extension challenge: Imagine you are a explorer on a journey around the world. Write a short story about the different cultures and landscapes you encounter as you travel through each continent.
