

## Get Ready for an Outdoor Adventure!

Packed and ready? Are you getting excited about your next outdoor adventure? Remember to be prepared, stay safe, and have fun!

- What do you need to take with you on a camping trip?
- What is used to show direction in the wilderness?
- Why is it essential to have a first aid kit with you when going on an outdoor adventure?
- What document helps you navigate while hiking?
- What would you do if you got lost on an outdoor adventure?
- Why is it crucial to tell someone where you are going and when you will return?

*Did you know? Did you know that the first guidebook to the Lake District, written by William Wordsworth's brother, John, was published in 1778 and helped to make the area a popular destination for outdoor adventurers?*

**Key vocabulary:** hiking · camping · map · compass · first aid kit · emergency plan
