

Mastering the Game: A Guide to Team Sports

Play Fair, Play Together, Play to Win!

- **Effective communication** means using clear calls and signals to help your teammates know where you are or where the ball should go.
- **Sportsmanship** is showing respect to your opponents, your teammates, and the referee, regardless of the final score.
- **Tactics** are the clever plans a team makes before the match to decide how to defend their goal and attack the opposition.
- **Cooperation** involves working together as one unit rather than playing as individuals, ensuring everyone contributes to the team's success.
- **Resilience** is the ability to keep trying your best and staying positive, even when your team is losing or the game is difficult.

Did you know? Did you know? In a team game, your position on the pitch is like a piece of a puzzle. Even if you don't have the ball, your movement helps your team create space and outsmart the opposition!
