

Story Time Quiz

Learning objective: To understand and identify different elements of stories.

Read each question carefully and choose the correct answer.

In a story, the setting is where and when the story takes place. It can be a real or imaginary place, such as a village, a city, or even a fantasy world. The setting can also include the time of day, the season, and the weather. This helps the reader to imagine the story more clearly.

Word bank: character · plot · setting · conflict · resolution
