

Exploring the UK Regions

Learning objective: To identify and describe the main regions of the UK and their characteristics.

Read each question carefully and answer using your own words. Use a pencil to circle the correct answers.

Word bank: England · Scotland · Wales · Northern Ireland · London · Lake District · Loch Ness · Snowdonia · Glencoe · Cornwall

1. Which two countries make up the UK? (2 marks)

2. What is the capital city of England? (1 mark)

3. Which mountain range runs through Scotland? (2 marks)

4. Which region in the UK is known for its beautiful beaches and coastal path? (2 marks)

5. What is the highest mountain in the UK? (1 mark)

6. Which region in the UK is home to the famous Loch Ness? (2 marks)

Draw: Draw a map of the UK showing the main regions and mountains. Label each region.

Extension challenge: Write a short paragraph about a visit you would like to make to one of the UK's regional mountains. What sights would you see and what activities would you do?
