

The Right Choice: A Moral Dilemma Quiz

Learning objective: To understand the concept of morality, distinguish between right and wrong, and consider how different values guide our decisions.

Help Leo the Lion navigate some tricky situations! Read each question carefully and choose the best answer. Some are multiple choice, some are True or False, and some need a one-word answer.

1. B
2. True
3. Honesty
4. C
5. False
6. Empathy
7. A
8. True
9. Fairness
10. B

Word bank: Honesty · Fairness · Empathy · Conscience · Responsibility

1. Leo finds a £5 note on the school playground. What is the most moral thing to do?

- A) Keep it and buy sweets
- B) Give it to a teacher to find the owner*
- C) Leave it there for someone else
- D) Spend it on a gift for a friend (1 mark)

2. True or False: A 'moral dilemma' is a situation where it is very easy to know the right thing to do. (1 mark)

3. If Leo tells the truth even when he is scared he might get in trouble, he is showing which value? (Use the word bank) (1 mark)

4. What is a 'conscience'?

- A) A type of science experiment
- B) A feeling of hunger
- C) The 'inner voice' that helps us know right from wrong*
- D) A rule written in a school book (1 mark)

5. True or False: Everyone in the world has exactly the same moral beliefs. (1 mark)

6. When Leo tries to understand how another person feels, he is showing what? (Use the word bank) (1 mark)

7. Which of these is an example of 'fairness'?

- A) Sharing a cake equally between three friends*
- B) Taking the biggest piece because you are the oldest
- C) Letting one person have everything
- D) Ignoring the rules of a game to win (1 mark)

8. True or False: Being responsible means taking care of the things you are trusted with. (1 mark)

9. If Leo makes sure every animal gets a turn to play in the game, he is practicing what value? (Use the word bank) (1 mark)

10. Which of these is a 'moral' question?

- A) What is $10 + 10$?
- B) Is it ever okay to tell a 'white lie' to protect someone's feelings?*
- C) What colour is the sky?
- D) How many legs does a spider have? (1 mark)

Draw: Draw a picture of Leo the Lion helping a friend in a way that shows kindness or fairness.

Extension challenge: Think of a time you had a difficult choice to make. Write two sentences explaining why it was a dilemma and what you decided to do.
