

# Rosa's Spanish Days of the Week Flashcards

*Learning objective: To learn, recall, and spell the seven days of the week in Spanish.*

Print these cards to help you practise the days of the week with Rosa the Parrot. Read the front of the card, then turn it over (or look at the Answer section) to see if you are right. Remember: in Spanish, the days of the week start with a lowercase letter unless they are at the start of a sentence!

|                                                |                                                  |
|------------------------------------------------|--------------------------------------------------|
| <b>Monday</b>                                  | <b>Tuesday</b>                                   |
| lunes                                          | martes                                           |
| <b>Wednesday</b>                               | <b>Thursday</b>                                  |
| miércoles                                      | jueves                                           |
| <b>Friday</b>                                  | <b>Saturday</b>                                  |
| viernes                                        | sábado                                           |
| <b>Sunday</b>                                  | <b>Which day comes after lunes?</b>              |
| domingo                                        | martes                                           |
| <b>Which day comes before viernes?</b>         | <b>What is the Spanish word for Saturday?</b>    |
| jueves                                         | sábado                                           |
| <b>What is the Spanish word for Wednesday?</b> | <b>Which day is the last day of the weekend?</b> |
| miércoles                                      | domingo                                          |
