

Following Instructions: A Fun Adventure with Pip and Max

Learning objective: To understand and follow instructions to achieve a specific task.

Pip the bookworm and Max the monkey have decided to build a new treehouse. They have a list of instructions to follow to complete the project. You need to match the instructions with the correct steps to build the treehouse. Then, write the instructions in the correct order.

Word bank: Draw a picture of the treehouse · Use the saw to cut the wood · Hammer the nails into the wood · Paint the treehouse with bright colours · Gather the tools and materials · Place the treehouse on the tree stump

1. What is the first step in building the treehouse? (1 mark)

2. What tool do Pip and Max use to cut the wood? (1 mark)

3. In what order should Pip and Max build the treehouse? (2 marks)

4. What should Pip and Max do to decorate the treehouse? (1 mark)

Draw: Draw a picture of the finished treehouse with Pip and Max inside.

Extension challenge: Imagine you are a builder, write a set of instructions for building a birdhouse and share with the class.
