

Rosa's Weekly Diary Drawing Sheet

Learning objective: To learn and recall the days of the week in French and associate them with daily activities.

Rosa the parrot has a very busy week! Follow the steps below to illustrate her diary. Use the word bank to label your drawings in French.

Draw: Create a storyboard divided into seven square frames, one for each day of the week. The style should be colourful and cheerful, suitable for a Year 4 activity book. Each frame should feature Rosa the parrot performing a different activity related to the days of the week. Leave space under each frame for the French label from the word bank.

Label words: lundi · mardi · mercredi · jeudi · vendredi · samedi · dimanche

Steps:

1. Step 1: In the first box, draw a picture of Rosa reading a book and label it 'lundi'.
2. Step 2: In the second box, draw Rosa painting a picture and label it 'mardi'.
3. Step 3: Draw a picture for 'mercredi' showing Rosa swimming, then label it.
4. Step 4: Draw a picture for 'samedi' showing Rosa flying in the sky, then label it.
5. Step 5: Write the French word for Sunday in the final box and draw Rosa sleeping under the stars.
