

Exploring the UK Regions Quiz

Learning objective: Year 4 Geography: Identify and describe the main regions of the UK.

Choose the correct answer for each question. Good luck!

The United Kingdom is made up of four main regions. England is the largest region and is home to the capital city, London. Scotland is known for its beautiful mountains and lochs. Wales is famous for its stunning coastline and rugged hills. Northern Ireland completes the four regions. Each region has its own unique culture and history. Can you answer the following questions about the UK regions?

Word bank: England · Scotland · Wales · Northern Ireland · Yorkshire · London · Edinburgh · Cardiff · Belfast
