

Sacred Texts: Special Books of Faith

Explore the wonderful world of sacred texts with Pip the bookworm!

- Sacred texts are special books that contain the teachings, laws, and stories of a religion.
- The Bible is the sacred text for Christians, containing the Old and New Testaments.
- The Quran is the holy book for Muslims, which they believe was revealed to the Prophet Muhammad.
- The Torah is the most sacred text in Judaism, often written as a scroll.
- The Guru Granth Sahib is the central religious text of Sikhism and is treated as a living Guru.
- People use these texts to find guidance on how to live a kind, honest, and good life.

Did you know? Did you know? Some sacred texts are treated with such deep respect that they are kept on special shelves or wrapped in beautiful cloths to keep them clean and safe!
