

Habitats and Living Things: A Year 4 Science Word Mat

Learning objective: To recognise that living things can be grouped in a variety of ways and explore how environmental changes can pose dangers to specific habitats.

Key Vocabulary

Use this reference mat to support your scientific writing. The terms are grouped by category to help you describe ecosystems, animal adaptations, and environmental shifts.

Habitat The natural home or environment w...	Adaptation A special feature or behaviour t...	Classification Sorting living things into grou...
