

Rosa's Animal Adventure in Spanish

Learning objective: To learn and use Spanish vocabulary for common animals and describe their characteristics.

Read the passage about Rosa the parrot's animal friends. Use the word bank to help you answer the questions below.

¡Hola! I am Rosa. I love flying through the forest and meeting new friends. Today, I am introducing you to some of the animals I have met. I saw a small cat, el gato, sitting under a tree. Nearby, a large elephant, el elefante, was eating leaves. I also spotted a brave lion, el león, resting in the sun. Finally, I saw a very small bird, el pájaro, chirping happily. My favourite animal is the bird because we can both fly! Mi animal favorito es el pájaro.

Word bank: el perro (dog) · el gato (cat) · el pájaro (bird) · el león (lion) · el elefante (elephant) · grande (big) · pequeño (small) · mi animal favorito es...
