

Rosa's Weather Report: El Tiempo

Learning objective: To learn and use Spanish vocabulary to describe different weather conditions.

Rosa the parrot is preparing to fly across Spain to visit her friends. Look at the weather symbols for different cities and match them to the correct Spanish phrases. Then, help Rosa write her weather report by filling in the blanks.

Word bank: Hace sol · Hace frío · Está nublado · Llueve · Hace viento · Hace calor

1. Match the weather symbol description to the Spanish phrase: The sun is shining brightly. (1 mark)

2. Match the weather symbol description to the Spanish phrase: It is raining. (1 mark)

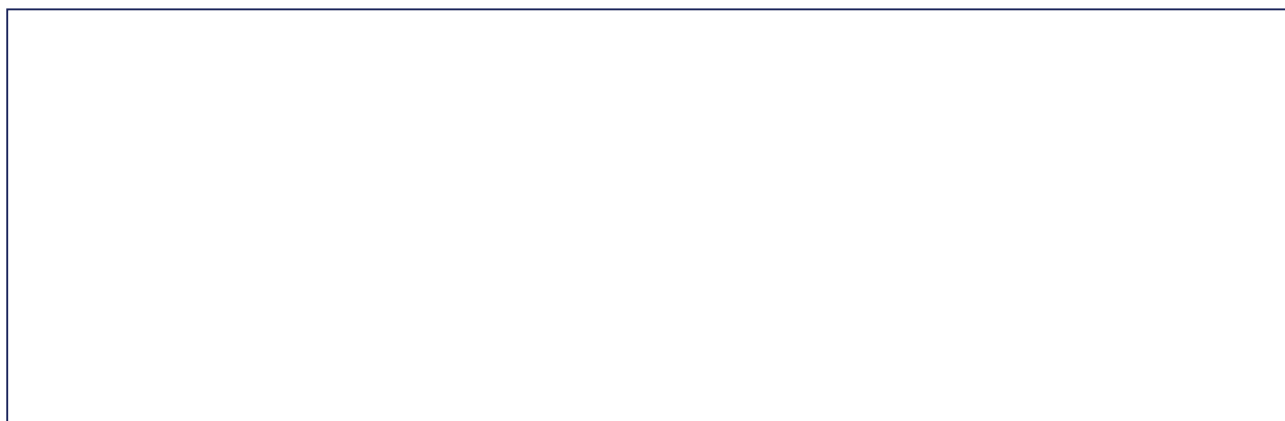

3. Match the weather symbol description to the Spanish phrase: It is cloudy. (1 mark)

4. Rosa is in Madrid and needs a jumper because it is cold. Fill in the blank: En Madrid, _____. (1 mark)

5. Rosa is in Seville and it is very hot. Fill in the blank: En Sevilla, _____. (1 mark)

6. Rosa is in Valencia and the trees are blowing in the wind. Fill in the blank: En Valencia, _____. (1 mark)

Draw: Draw a weather map of a fictional island. Include four different weather symbols (sun, rain cloud, wind, and clouds) and label each one with the correct Spanish phrase from the word bank.

Extension challenge: Imagine you are a weather presenter on television. Write two sentences in Spanish describing the weather in your town today and tomorrow, and then translate them into English.
