

A Magical Christmas Scene

Learning objective: To create a festive Christmas scene with a variety of characters and settings.

Use your imagination to draw a magical Christmas scene. Think about the different characters and settings that make Christmas special. Include some festive details like snowflakes, holly, and lights.

Draw: Use a mix of bright, bold colors to create a lively and festive atmosphere. You could also add some background details like houses, shops, or streets to make your scene more interesting.

Label words: tree · snowman · reindeer · presents · stockings · holly

Steps:

1. Draw a large, sparkly Christmas tree in the center of your picture.
2. Label the tree with the word 'tree' from the word bank.
3. Add some festive decorations to the tree, like lights and ornaments.
4. Draw a snowman standing next to the tree, wearing a scarf and hat.
5. Label the snowman with the word 'snowman' from the word bank.
6. Add some reindeer pulling a sleigh in the background of your picture.
