

Following Instructions

Learning objective: To understand and follow instructions to complete a task

Read the instructions carefully and use them to create a drawing.

Draw: Imagine you're making a craft project. The instructions are on a piece of paper next to you. Draw the instructions and everything you need to complete the project. Include any steps you need to follow to make it.

A large, empty rectangular box with a thin black border, intended for a student to draw their craft project and instructions.

Label words: bookshelf · reading · instructions · steps · follow · complete

Steps:

1. What should you do if you're not sure about an instruction?
2. What do you need to do before starting a task?
3. Why is it important to follow instructions carefully?
4. What do you call a set of instructions that tell you how to do something?
5. Draw a picture of you following instructions to make a craft project. Include the instructions and any tools or materials you used.
