

Rosa's French Greetings Adventure

Learning objective: To learn and use common French greetings and polite phrases appropriate for different times of the day.

Rosa the parrot is visiting a French market! Help her greet her friends correctly by sorting the phrases into the right 'time of day' baskets. Draw a line to connect the French phrase to its correct English meaning, then fill in the blanks to complete the dialogue.

Word bank: Bonjour · Bonsoir · Salut · Au revoir · Ça va? · Bien, merci

1. Match the greeting to the correct time: 1. Morning (Bonjour) 2. Evening (Bonsoir) 3. Informal/Friends (Salut). Write the matching pair below. (3 marks)

2. Rosa meets a friend. Fill in the gaps: Friend: 'Bonjour! _____?' Rosa: '_____, merci!' (2 marks)

3. If you are leaving a store, which phrase would you use to say goodbye? Write it here. (1 mark)

4. Why do you think it is important to use different greetings at different times of the day? (2 marks)

5. Translate this into French: 'Hello, how are you?' (1 mark)

Draw: Draw a bright, colorful market stall in France. Label the stall owner with a speech bubble saying 'Bonjour!' and a customer saying 'Au revoir!' as they walk away.

Extension challenge: Imagine you are meeting a new French friend for the first time. Write a short script using at least four different greetings or polite phrases you have learned today.
