

Ma Journée à l'École (My School Day) - Fact-file

Learning objective: To use French vocabulary to describe school subjects, opinions, and daily routines appropriate for Grade 3.

Help Rosa the parrot learn about your school day! Fill in the sections below using your French vocabulary. For each section, try to write a full sentence in French, such as 'J'aime les math' or 'Je mange à la cantine'.

Word bank: les math · l'anglais · le sport · l'art · la cantine · la récréation · j'aime · je n'aime pas · c'est amusant · c'est difficile

1. Mes matières préférées (My favorite subjects): Write down two subjects you study and say if you like them or not. (2 marks)

2. À la cantine (At the canteen): Describe what you usually do or eat during your lunch break. (2 marks)

3. Pendant la récréation (During break time): What do you like to do when you are outside with your friends? (2 marks)

4. Mon opinion (My opinion): Which subject do you find the most fun, and which one do you find the most difficult? (2 marks)

5. Le professeur (The teacher): Describe your teacher or your classroom using one or two French adjectives. (2 marks)

Extension challenge: Can you write a short paragraph in French explaining why you like coming to school? Try to include at least three different subjects and a word to describe how you feel!
