

## Rosa's School Day in France

*Learning objective: To identify and use French vocabulary related to school subjects and classroom items.*

Read the passage about Rosa the parrot's school day. Use the word bank to help you answer the questions below in English and French.

Bonjour! I am Rosa. Today is a busy day at my school in France. In the morning, I sit at my desk with my red pen, which is 'le stylo', and I write in my exercise book, 'le cahier'. My favorite subject is 'les math' because I love solving puzzles with Max the monkey. At midday, I go to the canteen for 'le déjeuner'. After that, I practice speaking 'le français'. I love learning new things at 'l'école'!
