

Moon Mission Quiz with Ellie the Elephant

Learning objective: To recall key facts about Neil Armstrong and the historic 1969 Moon landing.

Ellie the Elephant has been reading her history books! Read the facts about Neil Armstrong and answer these 10 questions to test your knowledge.

Neil Armstrong was a famous American astronaut. In 1969, he was the commander of the Apollo 11 mission. He and his crew travelled to the Moon in a spacecraft. When they landed, Neil became the first human to step onto the surface of the Moon. He famously said, 'That's one small step for man, one giant leap for mankind.' His journey changed history and taught us so much about space exploration.
