

Pip's Outdoor Adventure

Learning objective: To understand the importance of preparation and teamwork for a fun and safe outdoor adventure.

Match each word or phrase from the word bank to the correct description of an outdoor adventure. Write the letter of the description next to each word.

Word bank: tent · map · first-aid kit · rucksack · food · water bottle · compass · teamwork

1. What do you need to help you navigate in the countryside? (1 mark)

2. What do you need to stay healthy and happy while on an adventure? (1 mark)

3. What do you need to carry your clothes, snacks, and other essentials? (1 mark)

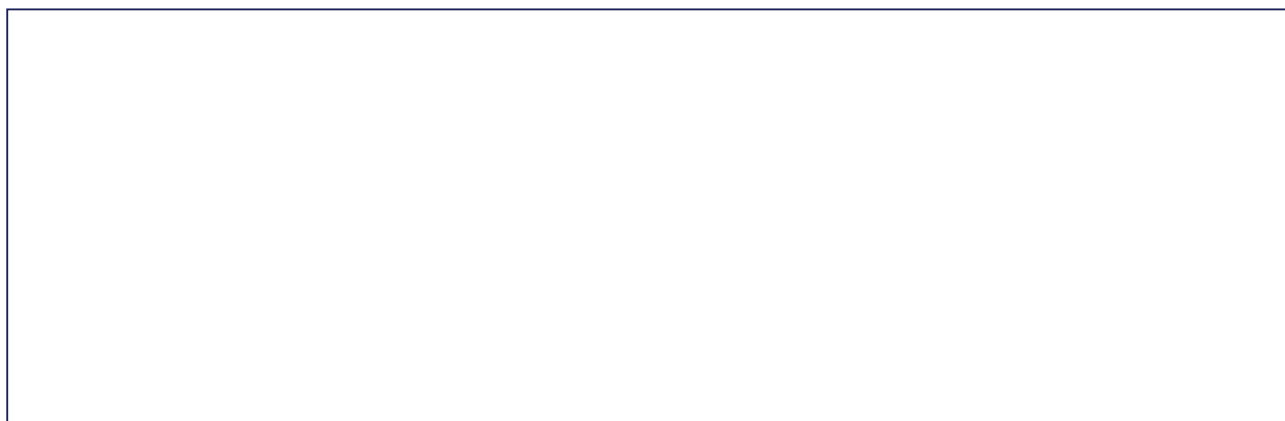

4. What do you need to stay safe if you get hurt? (1 mark)

5. What do you need to eat and drink on your adventure? (1 mark)

6. What do you need to identify the direction you're going? (1 mark)

7. What's an important part of planning a successful adventure? (1 mark)

Draw: Draw a picture of Pip and her friends setting up their campsite for an outdoor adventure. Include the tent, a map, a compass, and a first-aid kit.

Extension challenge: Imagine you are planning a weekend camping trip with your friends. What would you need to bring and how would you prepare for the adventure?
