

My Community Profile: Celebrating Diversity

Learning objective: To recognize and celebrate the diversity of people in our community and understand why it is important to include everyone.

Use this fact-file to explore what makes people unique. Think about how our different backgrounds, interests, and personalities make our school and local community a more interesting and special place to be. Follow the prompts to complete each section.

Word bank: Diversity · Inclusion · Perspective · Unique · Culture · Respect · Community · Background

1. My Unique Qualities: Describe one thing that makes you, you! This could be a hobby, a language you speak, a special skill, or a tradition your family celebrates. (2 marks)

2. Celebrating Differences: Think of a friend or someone in your class. How is their life or their personality different from yours in a positive way? (2 marks)

3. The Importance of Inclusion: Why is it important that everyone feels welcome in our classroom, even if they have different opinions or come from different backgrounds? (2 marks)

4. A Welcoming Community: List two things we can do as a group to ensure that no one feels left out during playtime or group work. (2 marks)

5. Reflecting on Diversity: If everyone in the world were exactly the same, what would we lose? Explain your thoughts. (2 marks)

Extension challenge: Imagine you are hosting a community festival. Write a short list of three activities or foods you would include to represent the different cultures and talents within your school.
