

Rosa's Animal Adventure in Spain

Learning objective: To read and understand a short text in Spanish about animals and recall details in English.

Read the text carefully. Use the word bank to help you understand the Spanish terms. Then, answer the questions in the spaces provided.

¡Hola! My name is Rosa, the parrot. I love visiting my friends in Spain. Today, I am meeting some animals at the village farm. First, I see a dog called Bruno. El perro es muy grande y tiene el pelo marrón. He likes to run in the fields. Next, I meet a cat named Luna. El gato es pequeño y muy suave. Luna loves to sleep in the sun all day. Finally, I find a rabbit hopping near the carrots. El conejo es blanco y rápido. It is very shy! My friends are all so different, but they are all lovely. It is wonderful to see how they play together in the sunshine. Whether they are big or small, every animal is a special friend. I love to practice my Spanish with them while I explore the beautiful countryside. Learning about animals in different languages helps me understand the world better. Which animal would you like to meet at the farm?
