

Rosa's Spanish Greeting Garden

Learning objective: To recall and use common Spanish greetings and introductions in a creative context.

Follow the drawing prompts below to create a scene where Rosa the parrot is meeting some new friends in the garden. Use the word bank to label your picture accurately.

Draw: Create a vibrant garden scene in a bright, colorful cartoon style. In the center, draw Rosa the parrot perched on a tree branch. On the ground, draw another animal friend (like a squirrel or a rabbit). Include a bright sun in the corner and a clock attached to the tree trunk to show the time of day. Leave clear space around the characters for speech bubbles and labels.
